

EV INFRASTRUCTURE EXPO

EXPLORE THE EV REVOLUTION!

23rd & 24th April 2026,
SILVERSTONE

www.evinfrastructureexpo.co.uk

As the UK's largest event for the EV infrastructure industry, the EV Infrastructure Expo, co-located with Battery Tech Expo, brings together the largest audience of industry buyers, specialists and suppliers under one roof.

More than just an event...

From corporate buyers, suppliers and industry specialists, this event is where the industry meets year after year, to connect, learn and discover the latest developments and products.

Reasons to Exhibit

75% of audience are decision makers

Over 5,000 senior decision makers and users from across the industry who share a professional interest in the technology and science of EV technology

8 hours of face-face business opportunities

Held at the world famous Grand Prix venue, Silverstone, a major UK hub of the high tech engineering sector, the venue accommodates great conversations and introductions

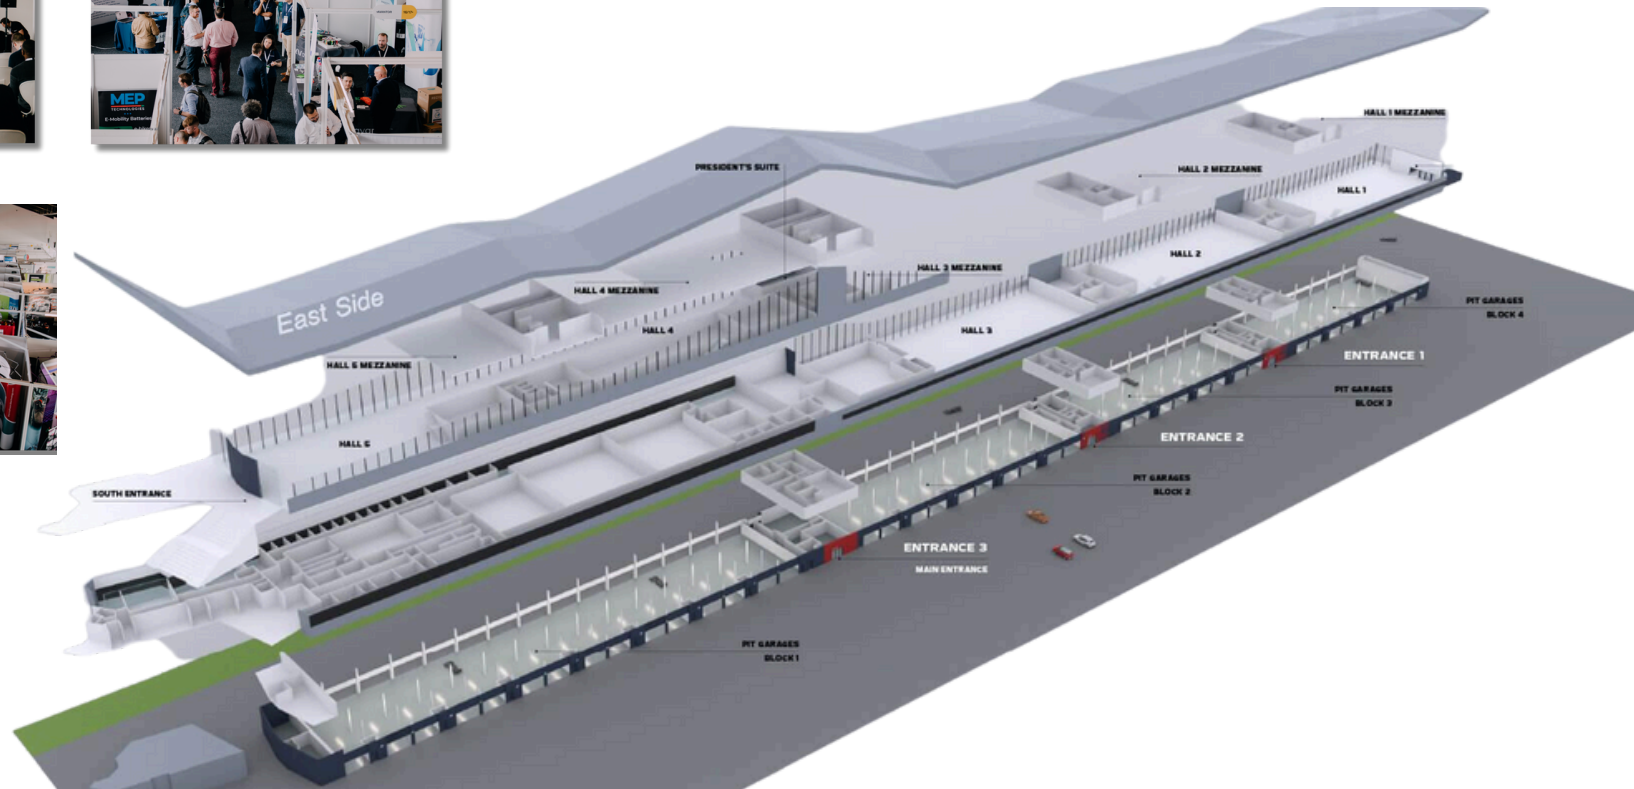

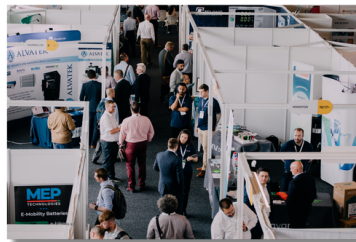

30,000 industry specialists are told all about you!

Driven by a high-profile, proactive, marketing campaign and media campaign, weekly communications about the event will attract a significant number of visitors and the highest calibre attendees in the industry.
